Our Mission: Growing Together in Christ  
Through Worship, Fellowship, Witness and Service

### 2017 RUMC MAN OF THE YEAR

Our 2017 “Man of the Year” is a born and bred Marylander. He would tell you he grew up during a wonderful time for kids. He and his brother would roam the neighborhood to play with all their friends. He was very adventurous and his curiosity sometimes got him into trouble. How many 5 year olds do you know who had the police called to get them down from the top of a neighbor’s camper?

After graduation from Franklin, he joined the Air Force, initially traveling to Texas. After that he was stationed in England for 2 years. He had many adventures there. He did rock climbing and arm wrestled. He also continued writing music and poetry. He had begun taking piano and guitar lessons during high school but his love of music blossomed in England. He had asked his future wife to marry him by now and they decided it would happen after he was discharged, in about a year. After several months, he decided to ask his fiancé to come to England instead. Since she had two children, she could stay about two weeks and this way they could have a honeymoon. They were married near Alconbury. There was a lovely couple who had a beautiful home very close to the base and they rented rooms in such cases. It was a lovely English home with a wonderful garden, perfect place for a honeymoon.

It was at this home they met the couple’s grown children and actually spent one evening in their recording studio singing. His wife headed back to Maryland and he spent more time with the guys in the recording studio. One of his biggest thrills was getting to play with Metallica while he was there.

About seven months after they were married, he came back to begin life as a married man. He settled in and got a job in the mail room where his wife worked and quickly moved up and then went to a new company. He worked in reorg and needed a report to show him certain information. IT was dragging their feet so he created the report himself. Once Technology got wind of what he had done, they asked him to join the team and that is where he is today.

He got involved in the Community Association where he served as president. He was voted “Citizen of the Year” for all of his hard work. He started a Boxing club through the rec council to try and get kids away from gangs. He always loved boxing and competed several times, winning first place. His hero has always been Mohammed Ali. He has run several marathons and his dad would help him train, well he would start running from Reisterstown and Dad would pick him up near Hampstead, further

as training went on. Then off they went to the Famous for hotdogs.

His love of music and his talents have been heard in Lighthouse, Northside Chapel Praise Band, Washed Anew and most recently, The Inflows. He has done solo work with the Chancel Choir. At one time so very shy, his music stand covered his face, he has become an amazing champion for Christ through music. From RUMC, to nursing homes and the rescue mission, he has unselfishly given of himself for over 25 years.

He fell in love with the mountains while visiting his grandparents in Montana. Now he has a home in Oakland, MD right in the middle of the woods. He also loves the Outer Banks with his grandchildren.

His wife describes him as an amazing husband, partner and best friend. He has been a devoted step dad and an incredible grandfather. He lives his life always being kind and caring for anyone in need. He is indeed her gift from God!

By now I am sure you know the name of our man of the year is Phil Gobrecht.

### Library Log

1. We are happy to announce the completion of a new library entrance door. Not only will this pay tribute to the Turnbaughs, but will be a new way to welcome everyone inside. The carpenter has a very busy summer and will let us know soon when he can do the installation.
2. Please come in to browse for your summer reading. Even though the local high schools did not assign a required book, we encourage our teens to challenge yourselves by choosing something from our library which you have never read. We'll be happy to assist you.

Book Club will meet next on **Wednesday, August 16 at 7:00** in our library. We will discuss *The Prayer Box* by Lisa Wingate. A 91-year old woman's life has been recorded on bits of paper and stored in prayer boxes, one for each year from youth to her last days. A young tenant finds the boxes after her landlady passes.

A million thanks to Brenda (and Al) Soskin for hosting our July book club. Lights in the yard, festive tableware, and a delicious fajita picnic were enjoyed by all. We even found time to discuss our book.

The Glyndon Area Players (GAP) is a theater-in-residence at Sacred Heart Parish in Glyndon, Maryland. Founded in 1998, GAP was established as a creative outlet to showcase the talent of the Glyndon, Reisterstown and the surrounding Maryland communities.

Since its humble beginning, GAP, *The Theater Company Built on a Dream*, has grown to be one of the premier theater companies in the Baltimore region. Each year, thousands come to see the lively, professional shows that are its hallmark. With incredible casts ranging in number from thirty to eighty and in age from eight to eighty, expansive and authentic sets, professional sound and lighting; GAP brings family favorites, as well as cutting-edge shows to life each August, making GAP a truly unique and affordable theatrical experience.

None of this would be possible without continued support of our local community.

### **Do you Like to Cook? Looking for an evening out with dinner?**

We are currently looking to replace some of our Kiwanis cooking teams.

Our church has had an on-going relationship for over 50 years with the Kiwanis Club.

Twice a month on Tuesdays, they hold their meetings at our church and we cook dinner for them.

The Kiwanis Club pays for these dinners and all of that money is used for missions.

The money supports the Crisis Center, the Food Pantry, a sponsored child, youth scholarships and more.

After many, many years of devoted service, several of our teams feel it is time to step down.

We are looking for new kitchen leadership.

What is involved?

- We have a rotating schedule, so you would only be on duty once every other month.
- We cook and serve dinner for approximately 18 people.
- If you are interested in this wonderful outreach,  
please contact Lani Hoffmann at 410-526-6967

### **Kitchen Certification Classes 2017**

Remember – if you use the church kitchen, there must always be a kitchen certified person on duty. In addition, if you work a paid church event, such as a wedding, you can earn some extra spending money.

Classes are free -but you must register in advance. Registration forms can be found in the wall holder in the narthex or on the UMW bulletin board

**The Underground Girls of Kabul**

This is another fascinating book on this year’s UMW Reading List

This book tells the story of the “fake” boys in Afghanistan. A family’s social and economic standing depends on having boys in the family. Families who only have girls can suffer severely; being ostracized and losing economic opportunities. Many of these families hide their baby girls as boys. These “boys” wear their hair short and dress as boys. They even take on new names. As a boy, these girls have an unheard of freedom. They can chaperone their sisters and mothers around town. They can work jobs to help the family out economically. They can participate in male conversations and activities such as sports. Once these “boys” enter puberty, they miraculously become girls and a party is held to celebrate. However, this means they also have to go back to the limited and restricted life of a female. This book is definitely worth the read; especially as a fellow woman.

## **MEN'S Small Group Study** **Wednesday Night!**

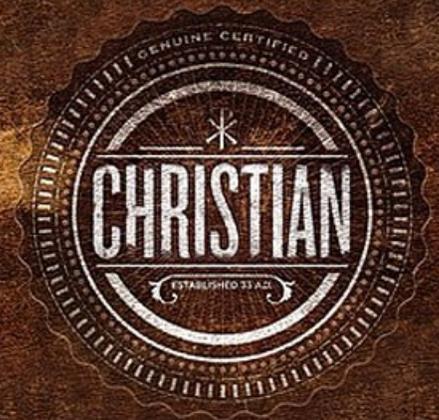

June 21 we started a new 8-week summer book study called *Christian: It's Not What You Think* by Andy Stanley. In the book, the author examines the characteristics Jesus used to define those who follow him and the implications they have for believers today. It promises to be an interesting read and the basis for some great discussions.

Please consider joining us for this Bible study. All men are welcome; no prior knowledge is required. We all come humbly seeking a better understanding of God's Word. **Come as you are...whenever you can.**

The public is invited to celebrate a free evening of informative displays, games, refreshments and family fun.

National Night Out, often called "America's Night Out Against Crime", was designed to heighten crime and drug prevention awareness; generate support for, and participation in, local anticrime programs; and strengthen police-community partnerships.

Reisterstown's event does that and highlights safety, emergency preparedness, health, environmental and community activities. More than forty groups will display and handout information on their programs. Notable displays will be BGE High Voltage Safety, "Hands Only CPR", Baltimore County Police Command Center, Ionic Lodge's Child Identification, self defense by American Kenpo, Smoke & Carbon Monoxide Alarms by RVFC and Chartley Homeowners, Life-Bridge Health and Baltimore County Department of Health.

Free chicken nuggets from Chick-Fil-A for the first 300 attendees, canned soft drinks, water, snow balls and cotton candy for attendees. Target will raffle free two youth bicycles with helmets and there will be free gift card raffles. There will be activities and games for all ages from story time, crafts and a moon bounce to football and bean bag throwing games and golf putting for teens and adults. Children will delight in having their faces painted and seeing the "Cow from Chick-Fil-A" and "McGruff, the crime fighting dog".

Greetings:

Community Crisis Center, Inc., in our 35<sup>th</sup> year, continues to provide support to those residing in Reisterstown, Owings Mills, and Glyndon that face barriers to independent living. Through the provision of food, hygiene supplies, utility and eviction grants, referrals, school supplies, holiday help, job counseling and resume support, and decision making and budgeting classes, we strive to empower people in our community. In spite of the tireless effort of over 50 volunteers the CCC, Inc. will not be able to continue to provide this level of service with an annual budget of under \$50,000. On August 25<sup>th</sup>, we will be hosting our major fundraising event for the year, **The Third Annual CCC, Inc. Golf Classic**. Last year the event raised over \$6,000 through great support from the community. Please take a look at the information enclosed about this event.

*Continued on page 15*

We need your help to make this event successful. Unlike many nonprofits, we cannot secure fiscal support from our clients or their family members.

We're reaching out to you this year in an effort to improve upon last year's results. We need your support to be able to continue to offer the wide array of services we provide. Please consider participating in our signature event or becoming a partner through sponsorship. For more information about the CCC, Inc. Golf Classic and sponsorship levels please refer to the attachments.

Thank you for your ongoing support!

Sincerely,

Eileen Compton-Little & Jason Kenlaw  
Executive Director & Board President

### Sidewalk Prophets in concert

August 26<sup>th</sup>

to benefit Every Child is Worthy Ministries (ECW),  
helping disabled orphans around the world through outreach,  
restoration, and the message of Jesus Christ.

ECW is partnering with Church of the Open Door in York, PA to  
present Dove Award winning artist,  
Sidewalk Prophets and YouTube sensation Christopher Duffley  
for an evening of story-telling, music, and fun!

On behalf of Every Child is Worthy (ECW) Ministries, we would like to invite you to join us in an opportunity to engage with the special needs community. ECW is a non-profit organization that is dedicated to making a lasting impact on the uniquely-abled community by providing financial solutions, resources, and training to empower the local church, non-government organizations, and institutions working with families of the special needs community. ECW strives to ensure no family is marginalized, but is instead equipped with the resources they need to stay connected within their local community. We hope to maximize the opportunities to hear the Gospel and experience the amazing love of Jesus with partnerships in Ukraine, Zambia, and north Africa. This event was created not only to bring awareness to ECW, but also to highlight what God can do in the life of a special needs child.

Event details:

† Saturday, August 26, 2017, 7:00pm -10:00pm

† West York Middle School Auditorium

† Tickets are \$25 and are available through [www.ecwministries.org](http://www.ecwministries.org)
